

If you know that God is good

Text: Evelina Gard

Musik: Evelina Gard & Magnus Ahlgren

Do you know about His goodness?
Do you know about His love?
Do you know that He created you
And loves you just the way you are?

If you know that God is good just put your hands up in the air
If you know He's good to you just wave 'em 'cause you really do care
If you know His love is true just stomp your feet and clap your hands
Make a shout of victory because He's worthy to be praised

Do you know about salvation
That He died upon a cross?
Do you know that He woke up again
To give eternal life to us?

You can always talk to Him He's never, ever far away
If you only let Him in He's promised to forever stay
